Who we are

Alidays, Travel Experiences was born in 1992 and now it is well known as one of the leading tailor-made outbound Tour Operator in Italy. When we think about who we are, we think about creating unique travel experiences to make our customers happy. Alidays aims at creating travel experiences for the reason and for the heart. For Alidays, “Travelling” means broadening the horizons without prejudices, feeding the curiosity about new people, new stories and new places.

The focus is to promote a system of relationships, knowledge, tips, and stories that can enable them to live a unique experience on the journey.

Our Products

Alidays started operating with the USA and then broaden its destinations to more than 80 countries in Africa, Asia, Oceania, North and South America.

In the last decades our primary goal has been to be interpreters of a philosophy that combines the customer’s desires and expectations of unique and customized travel experiences around the world.
