WHO WE ARE

Founded in Milan in 1993, SIGMAGEST is a leading Business Management and Administration firm born from a team of consultants integrating diverse consultancy experiences.

Specializing in **"BUSINESS CONSULTING"**, services include:

- Organizational guidance;
- Risk management;
- Accounting;
- Payroll;
- Tax;
- Human resources advice.

The group manages extensive **"full-outsourcing"** projects, utilizing advanced technological solutions like international integrated ERP.

With around 300 active clients, including leading companies, SIGMAGEST emphasizes lasting collaboration and trust. As a privileged **"business partner"** in international networks, the firm, in association with **STUDIO SARUBBI POGGI LONGOSTREVI**, extends tax consultancy services.

After this brief presentation, we invite you to explore our integrate solutions, proven results, and collaborative excellence.

PRODUCT DESCRIPTION

Our approach, is to adopt a **methodology plan** in all our activities in order to support our clients with **multidisciplinary teams**.
